RE: Highland Lake Dam #008.04 in Andover
Letter of Deficiency (LOD) DAM #008.04
Issued on July 25, 2002

Dear Chairman Fenton:

Based on a file review and a scheduled inspection conducted on June 23, 2005 of the above referenced dam, the Department of Environmental Services has determined that the referenced LOD is being closed out. The reason for this determination is issuance of new LOD #06-002 which supercedes the July 25, 2002 LOD.

If you have any questions or comments, please contact me at 603-271-3406 or write to the Water Division at the address listed below.

Sincerely,
